 NZOPA

# Welcome

It is my pleasure to invite you and your organisation to the 13th Annual New Zealand Orthotic & Prosthetic Association (NZOPA) Conference. The premier event for Clinicians and Technicians providing Orthotic and Prosthetic services in New Zealand. Since 2009, the NZOPA has held an Annual Conference connecting you with our members from Northland to Southland. This year's theme is:

## **Bridging Gaps – Building Connections: Global Perspectives on O&P care**

We are excited to extend the opportunity to providers in the O&P Industry to attend, display and/or present at this year's Conference. Our previous conferences have been very successful and we envision that this year's will be even better! For the first time, The NZOPA Annual Conference is across two and a half days. We are very excited to be offering an additional day of content and more opportunities for our exhibitors to connect with our members.

We are extending this invitation to your organisation to sponsor and exhibit. Our members work on the front line of the Orthotics & Prosthetics industry. This is a valuable opportunity for you to share how your information & products can improve patient and industry outcomes.

If you have any queries please don't hesitate to reach out.

# About The Venue

# NZOPA

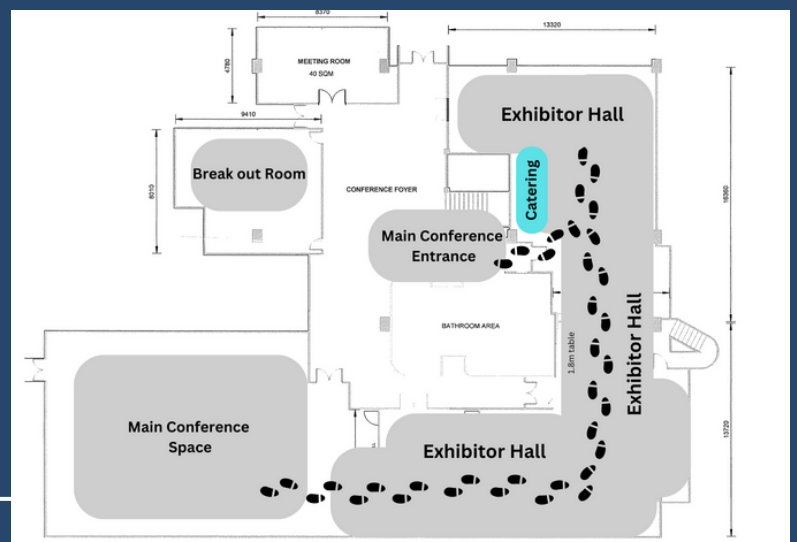

The James Cook Hotel Grand Chancellor is a true icon located in the heart of New Zealand's capital with direct access to two of Wellington's most vibrant areas, Lambton Quay and The Terrace. The hotel is only a 10 minute walk away from The Wellington Convention Centre and Te Papa Museum, and a 15 minute walk away from Westpac Stadium. From the main hotel conference floor, on the 16th level, conference delegates can enjoy the wonderful views of our beautiful city and harbour. The hotel is easily accessible and is only a short drive straight off State Highway One with car parking available. Limited covered car parking is available at a rate of \$30.00 per day. Public parking is also available at Wilsons Carpark.

The airport is a 10-minute drive from the hotel. A taxi will cost around \$30 one way. The ferry terminal is a 5-minute drive from the hotel, approximately \$10 each way by taxi.

We have secured over 600m<sup>2</sup> for this year's conference. This year's floorplan has been developed with our exhibitors in mind. Four of The James Cook's event spaces are reserved to create a flow that maximises exhibitor visibility, as well as interaction with our delegates. With multiple sponsorship packages and options, there is something to suit all budgets. New this year, sponsors can choose their booth location!

Exhibitors can access the Exhibition hall for set up from 4pm on Thursday. Supplies can be sent to the venue in the 7 days leading up to the Conference. Space has also been reserved for those who need courier pick up on the Monday after pack out.
